

A woman with dark curly hair is shown in profile, looking upwards and to the right. She is wearing a red top and large black headphones. Her hands are holding a complex, 3D printed lattice structure made of thin, light-colored rods. The background is a blurred office or laboratory setting. A solid green horizontal bar is positioned across the lower half of the image, containing white text.

# Life Is On Innovation Summit

Life Is On

**Schneider**  
Electric

“

I've been to GE's Minds & Machines, and your event is bigger, better, and more relevant.

- Analyst at Innovation Summit '16

You've shown me that SE truly is the white knight of Industrial IoT.

- Customer at Innovation Summit '16

”
